

**QuickSilver**<sup>®</sup>  
Truck Liners

**NEW!**

The Advanced Materials Division of Mitsubishi Chemical Group is happy to introduce:

**QuickSilver**<sup>®</sup> **HD** (Heavy Duty)

### What is QuickSilver<sup>®</sup> HD?

- Tough with **very high wear resistance!**
- Specially modified PE-Liner
- „Endless“-Coil material
- Smooth surface
- Easy to machine

### Applications/Advantages

- Sand, Gravel, Rocks
- Recycled Glass
- Construction rubble (without steel-reinforcement)
- Multiple trips per day (>8)
- Higher payload (ca. 200Kg+) by eliminating heavy steel wear plates!
- Protection of the investment
- Extended life of existing vehicles
